

### Why Should You Donate?

Shawn Buck founded Chains Of Silence to help the 1 in 6 males you meet that are survivors of sexual abuse, assault and rape start the healing process. We want each person to know they are not alone. Our organization is here to help the male survivors start the process of entering the recovery process through a community approach by connecting, access support and getting the help each survivor deserves. Christ changed Shawn's life and we want to help those who are hurting and don't know what to do or where to turn. It's not the survivor's fault!!!

**Every Donation Will Go To Raise Awareness & Help Victims Start Their Recovery.**

### About Us

Chains of Silence exists to help others know that they are not alone. What happened was not your fault. Through Chains of Silence, we will help survivors through support groups, partnership organizations, connections and technology. We will provide options for a community approach to recovery through technology and partnering with other local organizations. We believe there is hope when we can come along side everyone in their pain, brokenness and bring light to this darkness. Contact Us if you or someone you know needs help.

## CHAINS OF SILENCE

*Support, Care and long-term resources and connections to start the process of recovery for male survivor's that have been Sexually Violated.*

### **Mission:**

Chains of Silence exists to be a voice for those who have been victimized: Breaking the chains of silence for those who have been sexually abused, assaulted or raped and helping them to get healing.

### **Vision:**

Chains of Silence will promote healing for the male survivors of sexual violence. COS aims to meet the individual needs of those survivors through healing and helping provide a road to recovery specifically through support, community, support groups, partnerships and technology. We will provide this through our advocate program, technology, support groups and partnering with other local organizations to get each survivor connected to a place where they are fully accepted, known and loved.

### **Why Should You Care?**

1 in 3 girls and 1 in 6 boys will be sexually abused, assaulted or raped prior to turning 18.

40-80% of juvenile sex offenders have themselves been victims of sexual abuse.

It is estimate that men are the abusers in about 86% of boy and 94% of girl reported cases.

More than 90% of sexual assault victims on college campuses do not report the assault.

Only 12% of child sexual abuse is ever reported to the authorities

Annually, rape costs the U.S. more than any other crime (\$127 billion), followed by assault (\$93 billion), murder (\$71 billion) and drunk driving (\$61 billion)

National Sexual Violence Resource Center

---

The shame, fear, pain, distrust, rage and nightmares are just a few things sexually assaulted survivors like me go through. After counseling and connecting with a long-term recovery community. I have found freedom.

Shawn Buck

### **Overarching Objective:**

1 on 3 women and 1 in 6 men have experienced sexual violence in their life time. Our founder, Shawn Buck, was just one of those. He has a heart for those suffering, scared, and don't know where to turn for help. By giving a voice to this conversation that very few want to talk about. We will combine the community of individuals and businesses to help these victims of this horrific abuse. Our goal is for them to be met where they are. We want to provide a resource for them to be safe, fully known, accepted, loved to begin the healing process and road to full recovery.
